MORE?

snow.edu/richfield

“ I love the Snow College Richfield Campus! The overall size of campus is small. I know my professors, classmates, and even other students who aren't in the programs that I am studying. Like the main campus in Ephraim, we have club, leadership, and scholarship opportunities. There's a special kind of caring on the Richfield Campus that you won't find at any other institution.”

– Erin B., student
