# SNOW COLLEGE LEGISLATIVE PRIORITIES

## #1 APPRECIATION:

Thank you for investing in Snow College last year! With the base budget adjustment, we were able to fund critical positions and raise salaries to 95% of the established benchmarks. This has already helped recruit and retain qualified faculty and staff and keep people working in rural Utah. This year, we join the system is requesting funding for compensation if there is a tuition freeze.

## #2 PERFORMANCE FUNDING:

The following request has been submitted through the Commissioner's Office as part of USHE's total budget request:

Degree-granting request .....	\$1,777,485
Tech Ed request .....	\$918,900
<b>Total.....</b>	<b>\$2,696,385</b>

## #7 RURAL TRAINING ACCESS:

Snow College will partner with local industry and eight rural school districts within our six-county service area. The mobile training center and resources that will be taken to elementary, middle, and high schools, as well as community events, will promote skill development in high-demand, high-paying positions. This resource will offer programming in the following categories:

- Technical education
- STEM center
- Entrepreneurship
